INTERNATIONAL DAY OF WOMEN AND GIRLS IN SCIENCE

Feb. 11, 2024

This February 11 initiative is implemented by UNESCO and UN-Women, in collaboration with institutions and civil society partners that aim to promote women and girls.

Gender equality is a global priority for UNESCO, and the support of young girls, their training and their full ability to voice their ideas are levers for development and peace.

WORLD DAY OF SOCIAL JUSTICE

Feb. 20, 2024

The World Day of Social Justice is an international day that recognizes the need to promote and enhance social justice.

This concept refers to all efforts to address issues such as poverty, exclusion, gender equality, unemployment, human rights and social protections, issues that can be found in the corporate world as well as on the street.
