INTERNATIONAL EQUAL PAY DAY

Sep. 18, 2024

Around the world, women are paid less than men, with an estimated gender pay gap of 20%.

International Equal Pay Day celebrates the efforts of all stakeholders to achieve equal pay for work of equal value. It builds on the United Nations' commitment to the protection of human rights and all fundamental freedoms, including against all forms of discrimination, especially against women and girls.

LET'S TALK ABOUT IT!
